

HJJ/as

Year 11 Virtual EduLink Parents Evening Thursday 8th October 2026 4.30 pm - 7.30 pm

Parents' Evenings are an opportunity to talk about your child's engagement and progress with their subject teachers. Although we have moved to Arbor we will be using Edulink for one last time to host our virtual video calls.

As usual, staff will be available for discussion by appointment. These appointments will be 5 minutes long and you can make appointments via the school **EduLink app or website, from Wednesday 23rd September at 9.00 am.**

- Please prioritise the staff you wish to see. It may not be possible to have appointments with all of them.
- If there are two teachers for a subject please check with your son/daughter which **one** you should be making an appointment with. Some staff just support the main classroom teacher.
- We expect that your son/daughter will accompany you during the evening.
- Our new virtual parents evening system will automatically connect your appointments and cut off after 5 minutes. There is a warning (screen flashes red) so that you are aware this is coming.
- **If you have not signed up to EduLink you will not be able to access parents evening. Please contact the school Genius Bar if you have been unable to sign up.**

In order for the evening to be successful, may I suggest you read the [Protocols for Virtual EduLink Parents's Evenings](#) which will explain further how the evening will work.

Please test the technology before the meetings so that you can join on time.

Your appointments will be published on Edulink for you. At the time of your appointment simply login to the parents evening area and you will be connected.

We look forward to seeing you online.

Yours sincerely

Miss H Jones

Deputy Headteacher
